

The Mannequin Project

Calling all Artists of every medium!

Mannequin Manifesto: San Diego County artists are invited to create works of art from mannequin forms. The mannequins will be displayed at various Art Meets Fashion and Fringe events in public venues (San Diego county) throughout 2010 and 2011. One lucky mannequin will even be showcased at the SD International Airport.

Guidelines: There are no guidelines to stifle the creativity of the creations, other than this one stipulation: the finished mannequins must be suitable for outdoor display. It is preferable if artists are able to obtain their own mannequin forms, however efforts will be made if you need help obtaining one.*

Selection Process: The artists chosen to create mannequins will be by invitation. Based upon the artist's existing body of work, The Mannequin Project committee will determine who is eligible to participate.

Interested artists will be considered after submitting the following:

- 3 images in your existing collection
- website link
- biography or resume

Please submit to the Co- Chairs:

Ariane Brittany ariane@goddessextraordinaire.com or

Denise Bonaimo artdiva@bonaimo.com

*We are also looking to secure mannequin DONATIONS—mannequins may be in ANY size, shape, gender or condition. If you have a mannequin to donate or know someone who may, please contact us. Thank You!
