### 20TH ANNIVERSARY CELEBRATION

Synergy Arts Foundation and San Diego Visual Arts Network presented a 20th anniversary party at ICA North. The celebration included art, dancing, a DJ, live music, a silent auction, and paella prepared by Chef Javier Rubio. SAF and SDVAN joined forces to create the San Diego Synergy Arts Network in 2006, but they both started as nonprofits in 2003 using a fiscal agent. SDVAN is a cheerleader for all things visual while SAF promotes artists helping artists in need. The event marked the extraordinary sisterly relationship between the two organizations.
